**\*\*If you are planning to stay in your home during the storm, please let Marie or Jim know by text. Also, after Irma passes, please let us know how you and your family are doing, and if you need help.\*\***

Thank You, God for loving us enough to promise to always be with us. Thank You that we know You are the One Who is with us through the storm, and You are the One Who calls us to faith. May Your Spirit rise up in each one of us so that Your Light will shine into the face of the fear and dread that surrounds us. We pray in Jesus Mighty Name for faith and peace for all. Amen
